

CHILIAN AFFAIRS.

England Forbids the Embarkment of Valparaiso—France Averse to Medication in the Spanish-American War. From the Valparaiso Patria del Vapor, January 27.

The attitude of England is very energetic and favorable to Chili. The English Government has announced that it will not recognize a paper blockade, and has sent orders to its diplomatic and military officers to prevent the embarkment of Valparaiso, or any other barbarous act that may cause damage to English commerce.

Reconstruction in Mississippi—Insults to the Flag. The following General Order explains itself: HEADQUARTERS DEPARTMENT OF MISSISSIPPI, Vicksburg, Miss., February 21, 1866.

By order of Major-General Thomas J. Wood, Assistant Adjutant-General. CITY INTELLIGENCE [For Additional Local Items see Third Page.]

CITY INTELLIGENCE

FIRE THIS MORNING IN THE NINETEENTH WARD.—This morning, about 1 o'clock, a destructive fire occurred at the large cotton and woolen mills situated at Adams and Chestnut streets, Nineteenth Ward. The building was owned by Mr. William Beatty, and was occupied by different parties. The fire was confined to the picker house, one-story brick building situated at the rear of the main building, and occupied by James Meddowrat. The picker house was entirely destroyed, and the stock and machinery nearly so. The loss on the destroyed building was about \$50,000, which was fully insured.

DESCENT BY THE POLICE.—Shortly before 1 o'clock this morning, the police of the Fifth Ward made a descent on a house No. 517 S. Seventh street, and a considerable haul of vagrant characters was made. The house in question is unoccupied, but is nightly made the place of resort by a midnight murderers of both sexes, and of the colored persuasion. Their conduct has become so remarkably quiet or dignified character, partly who occupy the house, that a complaint was made at the Fifth Ward Station House, and hence the arrest. About fifteen individuals, some of whom were nearly frozen to death with cold, were transferred from the house to Moyamensing Prison via the Fifth Ward Station House.

ARRESTED ON SUSPICION OF THEFT.—Yesterday afternoon three men were arrested near the Baltimore Depot, on suspicion of stealing the sum of \$200 from a man in that locality. The party were taken before Alderman Lutz, but the evidence not being strong or conclusive, two of them were discharged and the other retained for a further hearing. The party retained hailed from Wilmington, Delaware. John Wilson was arrested at the Baltimore Depot last evening, just as he was emerging from a train of cars from Wilmington, Del., charged with stealing a lot of clothing from a party in that city. The arrest was made in accordance with a despatch sent to the police of this city from Wilmington.

AN ACCOMMODATION TO WESTERN TRAVELLERS.—The Pennsylvania Railroad Company have recently opened an office for the sale of tickets and the checking of baggage at No. 631 Chestnut street. This is particularly important to strangers in our city, as it obviates the necessity of going out to West Philadelphia for this purpose. The office has been fitted up in admirable style, and is so convenient to the principal hotels of the city that it cannot but prove an advantage in every way. The Pennsylvania Central are ever ready to add to the convenience of their patrons when it is within their power.

A DYING ESTABLISHMENT ROBBER.—At an early hour this morning the dying establishment of Thomas Padden, No. 1618 Pine street, was entered by some burglar or burglars by forcing open the front door, and a quantity of goods stolen valued at \$2000. Mr. Padden, who will consist principally in his responsibility for a large number of articles of clothing left at his establishment by different parties to be dyed. As yet no clue has been obtained as to the whereabouts of the robbers.

WIFE BEATING.—William Rose, residing at No. 16 David's avenue, amused himself yesterday by indulging in the despicable and unmanly cruelty of beating his, in this case, decidedly better half. The whip-lash was taken before Alderman Jones, who held him in \$1200 bail to answer.

AN ELEGANT ESTABLISHMENT.—We call the especial attention of our lady readers to the opening of a magnificent ladies' emporium, by the Misses Thornhill & Burns (late of J. M. Halsey), No. 1208 Chestnut street. Their stock of goods is large and varied, and a visit is certain to result in pleasure and profit.

RELIEF OF INJURED FIREMEN.—The Board of Delegates of the Fire Association of Philadelphia have appropriated the sum of \$1000 for the relief of the gallant firemen injured at the late fire in Third street, above Race.

THE ALARM OF FIRE THIS MORNING.—The alarm of fire about 6 o'clock this morning was caused by the burning of a fence at Thirtieth and Oxford streets, which took fire from a bonfire.

READ WHO SAYS SO. From Rev. W. D. Seagriff, Pastor of Twelfth Baptist Church, Philadelphia. Gentlemen—I have recently been laboring under the distressing effects of indigestion, accompanied by a prostration of the nervous system. Numerous remedies were recommended by friends, and some of them used, but without relief. Your Hoofland's German Bitters were recommended to me by a friend, and I had the pleasure of trying them. I had an aversion to taking medicines from the "thousand and one" quack "Bitters," whose only aim seems to be to pain or sweeten and drug the labor upon the stomach in a slow way, and the tendency of which I fear, is to make many a man a confirmed drunkard. Upon learning that yours was a purely medicinal preparation, I took it with happy effect. In action not only upon the stomach, but upon the nervous system was prompt and gratifying. I feel that I have derived great and permanent benefit from the use of a few bottles.

From Rev. E. P. Fendall, Assistant Editor Christian Chronicle, Philadelphia. I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to mention them as a most valuable tonic, to all who are suffering from general debility or from diseases arising from derangement of the liver. Yours truly, E. P. FENDALL.

From Rev. D. Merritt, Pastor of the Passyunk Baptist Church, Philadelphia. From the most respectable recommendations given to Dr. Hoofland's German Bitters, I was induced to give them a trial. After using several bottles I found them to be a good remedy for debility, and a most excellent tonic for the stomach. D. M. RHODE.
